## United States Senate

COMMITTEE ON THE JUDICIARY  
WASHINGTON, D.C. 20510

April 17, 1970

The Honorable Richard Helms  
Director of Central Intelligence Agency  
Washington, D.C.

Dear Mr. Helms:

I would like to take this opportunity to respectfully request from you, a letter of introduction that I might present to the Secretary of Defense in order to enquire as to possible opportunities for civil employment in that Department.

I am currently serving temporarily as a Consultant to the Subcommittee on Refugees and Escapees, but I am now interested in seeking more permanent employment, perhaps within the Department of Defense.

As you may remember, I was the Second in Command of the Brigade that landed at the Bay of Pigs nine years ago, today. During the last seven years, since I came back from prison, I have been serving in the United States Army, as well as trying to do my best, without success, for the liberation of my fatherland.

Your advice and assistance in this matter will be greatly appreciated.

Just a few lines to let you know that I am now working temporarily in the Senate. I will be doing some reports about the Cuban Refugee program. I think it is a worthwhile job because it will help bring up to date the situation of my fellow citizens. I expect to be traveling to different cities to get first hand information about the program.

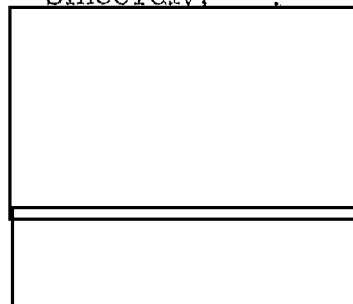

I am working in the Subcommittee on Refugees, 132 Old Senate Office Building, Washington, D. C. Phone number 225-4118.

As I told you before, remember that I am ready to serve you and the free world at any time you or your associates need my assistance. I am still the same soldier you knew and eager to give my best against the Communists.

I really appreciate the letters your boss sent to the Department of Defense in my behalf. I will never forget it.

Kind regards,

Sincerely,
